Dear Alex,

How have you been? I'm really excited about this summer! I've decided to do some volunteer work and thought of writing to you, because I would really like you to come too!

I would like to volunteer for the animal shelter that has opened up near my area. Since it's new, there is great need for volunteers so that everything can run smoothly and no stray animal is left on the streets without help. My responsibilities there will include feeding the animals, cleaning their houses and helping with medical emergencies.

I think it would be great if you could join me. First of all, we would be able to spend time together and have memorable experiences, which is something we don't normally have the chance to do because of the distance. Also, by volunteering at the shelter, we can be around those furry "friends" that we both love so much and offer our help to them. Finally, we will acquire valuable life skills, such as teamwork and discipline.

So, what do you think? Are you ready for a summer full of fun? Don't worry about the accommodation, you can stay with me! I'll be eagerly waiting for your response!

Take care,

Georgia
